If you're looking for easy care, lock up and leave, it doesn't get any better than this. Modern design with good use of space, two bathrooms and double garage with workshop area. Combine this with energy efficient design, great storage and easy care grounds and size to trump the opposition this is sure to appeal. Every eventually has been catered for, even elevator access if required. Your investment is further protected here by its free-hold title. I think you'll agree this really represents bang for your buck in todays market.
