The owner used the property to rescue neglected pussy cats, so if you have the inclination to do this you need to check out the set-up. The yard is definitely large enough to have the kids play and if you have the know how the tree would lend itself to a great tree hut for the kids. The owner tells me there is a great amount bird life to enjoy plus the view to the south east should impress you. Viewing by Appointment only. Give me a call or email to make a time to view.
