2 Comries Road, Chartwell

Steeped in luxury and sweeping river views, your dream home sits supreme on its elevated River Road section. It is beaming in light and panoramic scenery and strikes the perfect balance of private personal sanctuaries and social spaces. Designed for effortlessly elegant indoor-outdoor living and entertaining, your bespoke two-storey residence combines sharp style with optimum functionality. A lift and stairwell seamlessly transition between both levels, and property access is nothing short of convenient, with a driveway off Comries Road straight into the double internal access garage, and pedestrian access to River Road. Built in 2008, your lightly lived in Hinuera stone home blends into the leafy landscape. It is double glazed throughout, has quality detailing inside and out, including copper piping and bidets, and carries Hinuera stone indoors to create striking internal features along with beautiful oak flooring. And it doesn't simply overlook the river, the home is strategically positioned to capture views up and down the river and across the road to Swarbricks Landing Reserve. You don't need to get out of bed to enjoy the vista, as your private first floor master suite frames the outlook.
