Swing open the French doors this Summer, for fun on the big deck. The children and pets can be safe and secure with the fencing on this 796m2 section. I think the temptation will be great here, and the railway cottages get snapped up quickly. When it comes to life around Frankton, we always hear "close to everything, great neighbours, friendly people - its 5 minutes here and 5 minutes there". With the new "healthy home" laws - you'll be covered - heatpump, gas hotwater and fully insulated. 8 Kea Street is like brand new - its beautiful.
