Welcome to Keston Mews. Whatever your story - whether it's downsizing from your big home, moving closer to the kids, keeping a bolt-hole in Hamilton - or upgrading to something more luxurious. Keston is the chance to live in the best quality home on the market while reducing your mortgage and stress. Keston is a completely unique offering to Hamilton, our highly specified designer Townhouses are exclusively for the over 55. This lovely home features 2bedrooms plus a study and at 139. 5sqm. . . makes for a spacious home for you. The show home is open most days. Alternatively we can meet you there "by Appointment" any day. 55 beautiful townhouses are being built by Golden Homes. There are a variety of townhouses: 2 bedrooms, 2 bedrooms plus a study, or 3 bedrooms. There is also single or double garaging - you choose. Buyers of our current townhouses are excited to be moving in, and love the high stud ceilings, the spacious feeling, the quality and the style. Life is now easy - they can lock-up and leave. This may be your exciting new journey to more free time, in a beautiful new home = the perfect combination. To find out more about our Townhouses, type in "easby" on our lugtons. co. nz website.
