2/187 and 189 Ohaupo Road, Glenview

3 2

Brand new never goes out of style . . . Near completion, this spacious double glazed townhouse occupies a freehold section with no body corp!

Land area 218 m²

The nucleus of the home is an open plan living zone with kitchen, meals and relaxed lounge area that spills onto a private, fully fenced, alfresco area and sunny secure grassed yard. Three generous bedrooms address accommodation needs, with a family sized bathroom - including a bath. Built with comfort in mind and for those who want to enjoy their weekends enjoying life rather than dates with the lawn mower. What makes these different to the rest and why only one remains is the freehold section, the double internal access garaging and the turn key package! Complete with a heatpump for all year round enjoyment, curtains and blinds installed and Bosch appliances fit for the most passionate home chefs. Ideally located for hospital workers, retirees (with Glenview shopping centre a short stroll away) and professional couples. Pre-schools, parks and key transport routes are all in close proximity. Call Libby Buchanan today to view or join us at our open home on Sunday!
