With quick access to all that Derby Park has to offer, your new home is well set up for summer living. The north facing private covered deck gives a welcoming feeling as it opens in to the home. With new flooring and a large open space looking up to the mezzanine the lounge and dining feel very relaxed and spacious. The large fully fenced section gives a secure space for kids and pets to play with a small garden vege garden. A single garage with internal access will keep you and your vehicle out of the weather or offer a large storage space for all the hobby gear. Upstairs your master and mezzanine offer a peaceful retreat to read a book or just enjoy the sun and views through the windows. During Covid-19 Alert Level 3 there will be no open homes.
