With 5 bedrooms, 2 lounges, scullery, 2 bathrooms, triple garage - this ticked off every need they had. Since moving in, they've enjoyed the friendly neighbourhood, easy access to river walkways, the quick trip onto the expressway, the fact they can spread out in the spacious home and feel its perfect for big family gatherings. Sophisticated, functional and modern - sum this up completely. Built by Spitzer Brothers in 2013 with features such as brick, double glazing, 2x heatpumps, gas infinity hot water and attic storage as well. Zoned for Rototuna Junior/Senior and Endeavour Primary Schools - just the ones you've been wanting. With extensive garaging you'll be impressed how you can tuck your expensive toys away, or convert to some extra hobby room? There is a nice ambiance that you'll love coming home to. . . and with plenty of room for all the family to spread out, you'll have the ability for peace and quiet too.
