40 Twickenham Place, Nawton

40 Twickenham is a beautifully presented single level 3 bedroom, two bathroom, office nook, 2 living, brick home in a quiet cul de sac and boarding a reserve. Ideal for the family to play a game of cricket. My owner has had the house recarpeted and new drapes in lounge and dining area ready for you to enjoy. The master bedroom has an ensuite and large wardrobe, the 2 other bedrooms are both good sized double rooms. Two living rooms and a great kitchen with gas hob and large bench with plenty of cupboards. This is a home for a family to enjoy the reserve {all in view of the deck} ideal for the kids to run off some energy. You would be able to purchase and settle before Christmas.
