28 Walsh Street, Forest Lake

3 1

Recreated for modern life, this Forest Lake classic has morphed into a superb family retreat. The transformation, executed with taste and flair, makes this nest an appealing opportunity for a wide range of buyers. With the work done inside and out, no major projects loom. There's just relaxed living for the days ahead and opportunities to share stylish spaces with family and friends. Retention of native timbers gives a rich glow to the interior, which is dressed in a contemporary colour palette and full of light. The sleek kitchen teams up with the dining area to provide an all-embracing area for everyday living. This hub spills through the living room and onto a large North West entertainment deck for seamless indoor-outdoor sun capturing. All the essentials are taken care of for the perfect kiwi summer around the BBQ. The bedrooms have a restful air and the bathroom is all modern efficiency. There's plenty of space for the kids and pets to run about in the fully fenced section and if you need even more space, Minoque Park and Lake Rotokaeo playgrounds are easily accessible. Forest Lake offers many benefits to discerning buyer with its easy access to the C. B. D. and Northbound State Highway 1. If walks in the park, netball, bmx racing, miniature trains, horse racing, and pools are part of your recreation list then 28 Walsh could be for you.
