Top floor central city living never looked better, and it's positioned perfectly in the heart of Hamilton. This almost new two-bedroom apartment with open plan living and kitchen, with very clever design features that maximize both space and storage. The home features two decks with open views on both sides and blackout acoustic curtains for privacy when you want it. You'll love the gas infinity hot water and cooking, you get your own carpark, and the complex features a communal BBQ and courtyard. This low maintenance lock up and leave property is within walking distance to many popular amenities including Seddon Park, Waikato Stadium, Hamilton Lake and everything that the CBD offers.
