Your home is worth more with Lugton's

6/E Enderley Lane, Enderley

My vendors say some of the best things about living here is the feeling of privacy, the birdlife including Ruru and Tui providing a welcoming backdrop. An amazing location with magical gardens and featuring two double bedrooms, internal access garaging restful lounge which opens up onto a kitchen diner and access to the garden for alfresco dining through ranchsliders. Well appointed and sunny lounge has new carpet installed, new flooring in the kitchen and new tiles in the bathroom and toilet. This home is a real gem, one to be enjoyed and must be viewed to be appreciated, so call Wendy 0226473524 or David 0212830511 to arrange a private viewing, or see you at one of the open homes.
