

7 Darjon Drive, Huntington

Your stunning residence was originally built as a show home to showcase what can be achieved when quality craftsmanship, decor specialists and professional landscapers pool their talents. Gorgeous as ever and up with the modern-day play thanks to a lavish refurbishment. Step inside and soak it up. Sink your feet into the new carpet and feel the benefit of newly installed ducted air-conditioning and high-grade double-glazing. You'll discover a luxurious, cleverly designed and fully refreshed interior suited to a large family. The generous 275sqm layout reveals living areas that connect and flow on from each other to provide spaces for entertaining, privacy and relaxation. Your open plan family room is a light-filled central activity hub extending out to the sunny alfresco. Dressed in light and fresh cabinetry, gleaming subway tiles, and prime stone benchtops, your new kitchen has style. It is equipped with all the mod cons, including wall ovens, a gas hob and a powerpack rangehood, and has sliding windows out to the patio so you can serve directly outdoors and not miss out on the conversation. The dining room is perfect for hosting dinner parties.
