

149A Rayner Road, Huntly

ANY LINES ARE INDICATIVE ONLY

Welcome to your very own piece of Paradise. This is your opportunity to own this 2.28 Hectare lifestyle block on Rayner Road. The boundary stretches from the entrance, on the edge of the residential houses, right to the north end of the section and zig zag back to the entrance. With a striking view towards Lake Hakanoa, walk-way around Lake Hakanoa and the property tucked away nicely on the Southeast side. This might just be the right one for you. This lovely 2-bedroom original cottage and a two-car garage with a storage room is perfect for those who like the simplicity of living or tiny home living (not too tiny) and with a large section for you to live off the land. If you can see yourself living on this piece of real estate and able to make transform this into something and continue building on it. Maybe consider 149a Rayner Road, whatever it may be, it is an opportunity to take it to the next level.
