📍 233A Dey Street, Hamilton East

Welcome to 233a Dey Street - you'll love it the moment you walk in the door. Actually the moment you enter the property you'll notice the beautiful native trees and established plantings. I fell in love with the "retro" feel - it's like stepping back in time. The owners have laid new lino and carpet throughout and painted most of the walls. Its rare that you walk into a brick unit that has a separate lounge, separate dining and separate kitchen like this. Single internal access garage completes the security. Zoned for Knighton Primary, Peachgrove Intermediate, Berkley Intermediate and Hillcrest High School, plus walking distance to Marian Catholic school. This is such a top location if you want to live close to all grades starting from Kindergarten thru to University - all within minutes of here. You've got nice green spaces close by, and Jacks Cafe just down the street. If you don't drive - that won't matter. Improve your lifestyle - and live so central.
