Sick of missing out in this hot market, here's an affordable opportunity to get on the property ladder. Freshly re-painted on the inside and all ready to go, yet there's still scope to add value with your personal touch. Offering 3 bedrooms, separate lounge, open-plan kitchen & dining, plus separate scullery and laundry nook, this 1960s dwelling will appeal to families and first home buyers. Best of all the kitchen and bathroom have been appreciably upgraded while all other floor areas have been stripped back to its native timber. Other features include a fenced back yard with single garage and utility room, plus multiple off street parking down two driveways. Zoned for Insoll Primary and Fairfield Intermediate Schools, also handy to Wairere Drive Expressway, Heritage Park and Five Cross Roads & Greenhill Shopping Centres. Why delay?
