Your home is worth more with Lugton's

1 Thorpe Street, Fairview Downs

3 1 1

If you are looking for serious garaging then this is a home worth serious consideration. This solid brick family home consists of three generous bedrooms, big living area and a very spacious kitchen and dining leading out to a north facing conservatory. Overall it's a great family home in original condition, but the true value is in the garage. If you need lots of space, or doing up cars, bikes or boats is your passion you are simply not going to find a more affordable property than this. Our advice would be contact Jeff today to arrange a viewing. This property is surplus to requirements and our vendors are keen to see an offer.
