

15 Cedar Place, Hillcrest

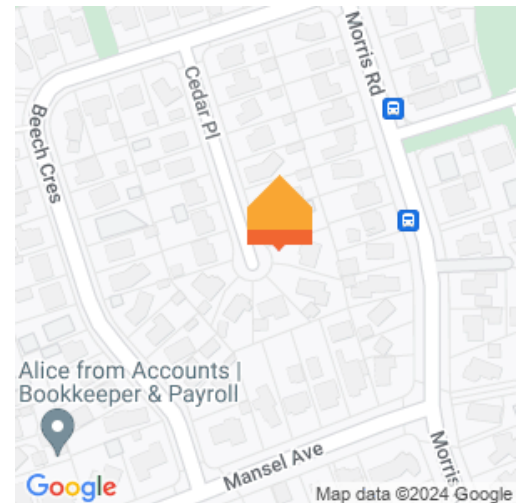

A family wanting to live in zone for Hillcrest schools and have access to education from pre-school to tertiary will see opportunity knocking on the door of this classic brick home in Cedar Place. The cul-de-sac is in a family-oriented neighborhood popular for its proximity to schools and uni, parks, shops and sports grounds. The home sits on a private, established section and is very easy to warm to. New carpet and a sparkling new kitchen give the interior a fresh look and both the dining and lounge areas open outdoors to create good airflow and provide seamless indoor-outdoor living. The bathroom is modern, the laundry is separate and the overall presentation is tidy. A garage and carport lie at the end of the driveway, and front and back yards offer nice flat areas for the kids to play. Homebuyers and property investors will find great appeal here.
