📍 50 Palliser Drive, Huntington

5 Bedrooms 2 Bathrooms 2 Car Spaces

Bursting with life, your quality residence is socially adept, allows you to work from home, delivers effortless indoor-outdoor living, and is great for children. Encompassing multi-functional living zones and five bedrooms over a generous floor plan, your home has it all - including a desirable Huntington location and all the benefits that brings. The wonderful thing about the spacious layout is that it has abundant room for guests and entertaining. Fire up the barbecue and entertain outdoors, and let the kids race around. There is also scope to create a dedicated playroom, craft room or office. A feeling of instant welcome greets guests as they step into the wide embrace of the foyer. Cavity sliders open to a bright, airy lounge and the free-flowing layout effortlessly transitions into the family zone, dining area and central kitchen, all of which are awash in natural light, gaze out to the patio, and are genuinely big. Five bedrooms provide oodles of space for rest and relaxation. Parents can enjoy the peace and quiet of their master suite and everyone will want to soak in a luxurious spa bath in the main bathroom.
