Inviting outdoor spaces unfold naturally off generously glazed living areas and your master suite. Summer gatherings can be hosted under the portico or on the large private courtyard. Cavity sliders open to a lounge with in-built furniture for displaying your collectibles. From the walk-in linen cupboard to the utility space in your double garage, storage is plentiful throughout. A large loft rumpus area above garage where the kids can chill out and make as much noise as they like is separate from the living areas. Bathrooms are stylish tiled spaces with walk-in showers. All bedrooms have double fitted wardrobes and are generous in size. The master has the customary walk-in robe.
