Sun streams in through swathes of glazing, creating a lovely sense of warmth and upliftment, and the aesthetic of each room is extremely appealing. Functionality has been superbly enhanced and an expert reconfiguration of the floor plan has resulted in the addition of a fourth bedroom, without compromising space. Bedrooms are restful sanctuaries, and your enticing main bedroom suite features a fully fitted walk-in robe and a pristine bathroom. Both the family bathroom and ensuite have morphed into luxurious personal spaces. The open plan is where your family will spend their time together, and it's a space you'll be proud to entertain in. Surefire style is showcased through eye-catching kitchen cabinetry and fittings, laminate flooring, and clean, crisp decor. The theme carries through to the laundry.
