22 Mooney Street, Nawton

5 1 1 1

Welcome to 22 Mooney Street. . . . . where there's plenty of room for the kids, or for you to have extra family stay. Located in a lovely established street (which happens to feature a family green playground/park), you'll find this gem. With 5 bedrooms (or 4 beds, 2 living), double garage, Intex Swimming Pool, fully fenced, and renovations done. . . . . this has to be a happy ending for you. The tribe will love the vibe here. . . . . with easy access to the expressway, a quick trip to The Base, bus stops (Orbitor) close by, and a "local" such as Sugar Bowl Grandview - you'll be popular for choosing your new lifestyle here. The family say that the decision to move here 14 years ago was easy. . . . fast forward, the babies have been raised, the house has been renovated - they're ready for the next journey. Favorite spots? The massive bedroom, the social dining area. . . . and the friendly outdoor entertaining area. Finders Keepers - don't be the one who misses out.
