Your home is worth more with Lugton's

# 15 Purcell Place, Melville

2 1

**Rateable value** $245,000

This home has been well looked after and maintained. Featuring two bedrooms, modern kitchen and bathroom and open plan living areas that flow out to a fantastic entertainment area. With double glazing throughout, recently new insulation and a heat pump, this home is warm and dry in the cooler months and easy to cool in the Summer. The single garage has been temporarily converted into an extra non-consented room. It is currently being used as a music room but it has the potential to be used as whatever you like or it can be easily converted back to a single garage. Being close to the hospital and only a short drive to the city is a bonus. This home would be a perfect first home or investment. The current owners have loved making memories here as their first home. Could it be your turn next?
