

📍 15A Sewell Place, Cambridge

Motivated vendors have found another and slashed their price to meet the market. You need to inspect this tastefully renovated 1980s home to appreciate it, tucked away on a secluded fully fenced and gated section at the end of a quiet cul de sac, an easy drive to Leamington village shops, services and schools. Comfortable living here, with light and bright open-plan living areas, three bedrooms (one with built-in office nook), modernised kitchen and bathroom, ultrafast fibre connection, covered deck and large garden shed. The house is kept warm and cosy by a heat pump and Moisture Master Ventilation system as well as insulation in the ceilings and under floor. A great opportunity for first home buyers or investors (rental appraisal available). Properties in this price range are difficult to find in Cambridge, so don't miss this one!
