

📍 403 Borman Road, Flagstaff

This brick home is a must see for all those looking to get in zone for Rototuna Junior and Senior High school ready for next year. This home is more than just a school zoning. The open plan kitchen dining living room opens onto a patio area which will really come into it's own in the summer months. There's a large separate living room ideal for relaxing as a family or as an adult only space. The master bedroom and one other bedroom also open onto the patio area, adding to that all important indoor-outdoor flow. The grassed area is plenty big enough for a trampoline or parapool. You've also got a raised veggie garden. The fully fenced back garden makes for a perfect spot for the kids and pets to play in safely. With the convenience of the new supermarket and growing number of eateries nearby you will love the location.
