80 Newcastle Road, Dinsdale

3 1 1

This refreshed home combines space for family living with a modern outdoor environment designed for alfresco relaxation. It's easy to imagine summer life outside on the open and covered decks and sharing family cookouts with friends in the screened courtyard. Kids can run freely around the fully fenced section. Tucked down the service lane off the main road, the property affords good privacy and peace of mind living for a family with young children. Lovingly renovated approx. 3 years ago making it easy for new owners to walk in and instantly enjoy. The living area steps out to a patio and sculpted courtyard and the office/hobby room at the back of the garage beckons when quiet or creative time is needed. A heat pump keeps the interior ambient, the grounds are trim, and the overall presentation shows pride of ownership. Elevated in the heights of Dinsdale, the property is zoned for popular Aberdeen School and close to the local shopping centre.
