16 Pukeko Street, Frankton

Welcome to 16 Pukeko Street - in the heart of the Frankton Historic Railway Village. This lovely neighbourhood is protected under the Historic Places Trust. What would you think about moving into a home that's been fully renovated with new lush flooring, re-wired, new LED lighting, new switches, fresh paint inside and out, new laundry too? Well its all been done, and so beautifully. Though it feels virtually new, it still has all the charm and character of its time. The owners say they chose this home as its quiet in the weekends, you can walk to town and the FMG Stadium, public transport, there are good schools surrounding it, you've got parks, cafes, and so many options for shopping just down the road. Added sweeteners here include - heatpump, 2 gas heaters, HRV, ultra fast fibre, gas infinity hotwater, insulated with batts in the ceiling, and polythene/silver paper underneath, new paving, fully fenced secure 463m2 section, and even new lawns. So if you're in the market for a gorgeous Railway Villa that's ready for you now, then make sure you're quick to call Lisa Sigley on 021722281 today. www.lisasigley.com
