Privately positioned down a driveway, this single level brick home on a freehold section needs to be viewed to appreciate all that it has to offer. This property will appeal to the first home buyer, young family or retiree with its location close to Glenview Mall Shops and the easy commute to Waikato Hospital. The home has 3 bedrooms, an open plan living area and a separate laundry. Gas for the hot water and heating and a DVS system. To top it off - internal access from the single garage. The section is flat with established planting, with a nice outdoor area to enjoy your early morning coffee. My vendor has made plans and now it's time for someone else to enjoy everything this home has to offer. Please give me a call to view - or come through my open homes over the weekend.
