# 1C Addison Street, Cambridge

Location really is everything! This is a rare opportunity to buy a section on the very popular Addison Street, in the heart of Cambridge. Set back from the road you'll find this freehold 1,059 square metre flat section with mature trees and bird-life creating a peaceful, tranquil environment. With reserve on one side and the beautiful Waikato River literally a stone's throw away, you cannot ask for a better location. Build your dream home on this large, private lot, close to both Leamington and Cambridge amenities. Walking and cycling trails are nearby as well as local schools, shops, medical centres, playgrounds and parks. Sections of this size and in this location are very rare. Call me for more information today!
