7 Thomson Avenue, Dinsdale

4 1

Super delightful and nicely presented for you to check out. 4 bedroom and 2 living areas in the sought after Aberdeen school zone. Everything is so handy, you could even sell the car. The addition of a large workshop means there is plenty of room for the boys toys or what about a great sized social room to watch sport in, the options are endless. Call Maxine today to book a time to view.

Rateable value $355,000
