7A Michael Avenue, Dinsdale

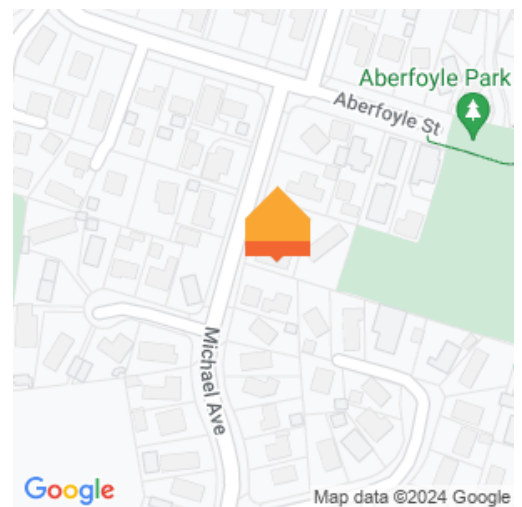

3 bedrooms, 1 bathroom, 1 car, 1 kitchen

Welcome to 7a Michael Avenue. . . right in the heart of Dinsdale. Set on a 450m<sup>2</sup> fully secure section, with features such as 3 bedrooms, a huge open plan living/dining/kitchen, and the security of internal access garage too. The owners knew this would be perfect for them - it has felt secure, been easy care, loved being so close to loads of shops, parks and schools, and say it's a really cosy home in Winter. Zoned for Aberdeen Primary, Maeroa Intermediate and Fraser High Schools, plus you have Frankton and St Columbus just around the corner. Opportunity knocks here, as the owners are heading to the BOP and immediate possession is available. The moment you walk in, you'll know you've arrived at exactly the right spot for you. Make sure this is on your shopping list. . . the schools are right, the location is right. . . and best of all - the price is right too. Call Lisa Sigley on 021722281 today.
