31 Church Road, Pukete

An incredible home and location for your family, this property has it all - four bedrooms, spacious living areas, indoor-outdoor flow par excellence, a park on your doorstep, and amenities that are oh-so handy. With schools and kindergartens, sports facilities, playground, mountain biking trails, supermarkets, and The Base at your beck and call, you couldn't find a better spot to raise your family. You'll have plenty of time on your hands to enjoy these amenities as your brick home and the grounds are not only low maintenance, they've been meticulously cared for. Around eight years ago, the house was completely gutted and renovated with modern flair. It has a lovely contemporary aesthetic and pays homage to relaxed outdoor living. Light floods in through swathes of glazing, and the bright, airy multi-functional kitchen/dining/living domain is a natural family hub. Entertaining is a breeze thanks to a well-equipped kitchen and loads of outdoor living space, including a covered deck. You'll be able to host kids' parties and throw big celebrations with ease. Bedrooms are restful sanctuaries, and your main suite has the requisite appointments of a bathroom and walk-in robe.
