Mum's domain has been the beautifully kept gardens - often admired by those passing by. Set on a flat 1011m2 section - this is your classic Kiwi Quarter Acre section. In a league of its own - these classic brick homes are getting harder to find, on such a big section. Modern twists add to a comfortable lifestyle - heatpump, gas logfire, dishwasher, insulated top and bottom, infinity gas hotwater, alarm, and the convenience of 2 toilets. If good schooling is on your wish list, then you've picked the best - Knighton/Peachgrove plus Berkley Intermediate/ and Hillcrest High School. Plus the Waikato University is just up the street. You've also got the fun of living close to shops and bus stops, plus parks and cafes. . . so many reasons to want to buy here. The family say their home has hosted weddings, 21st birthdays, wedding anniversaries, graduations, reunions and BBQs. . . full of nostalgia, and rich in history. Now its time to let it go. Homes in this prime location are in high demand, and auction day is set for 13th March at 12pm.
