This Glenview home knows how to treat your growing family. Classic brick by birth and contemporary in evolution, it has a relaxed mindset and improved sociability fostered by open plan living. There is good traffic flow between internal and external spaces, and a borderless environment for dining, conversation and family time. The crisp white kitchen takes care of hosting duties and allows you to prepare meals and keep an eye on the kids at the same time. Your deck is a natural extension of the dining area, serving as a gathering place for your family to enjoy the open air and have friends over for cookouts. Renovated bathroom and laundry, three bedrooms and heat pumps create a comfortable, well-functioning and modern interior. Your well-groomed section is perfect for backyard recreation. It accommodates a garage and parking. In the heart of a family-friendly neighbourhood, your home is close to schools, daycare, supermarket, shops and parks. Glenview is sought for its easy connection to urban amenities, transit routes and proximity to Waikato Hospital.
