Your home is worth more with Lugton's

5B Ross View Terrace, Dinsdale

Here's an awesome property, just a short walk from Aberdeen School. You can literally see it from the deck. Nestled down a driveway on a very private rear site is this wonderful 3br home, set over 2 levels. Lovely updated kitchen and main living area with vaulted ceilings and a pot belly wood burner for those chilly nights. While on sunny days you can enjoy the BBQ and entertaining on the expansive rear deck. Downstairs there's also 2 x bedrooms, main bathroom, separate laundry and internal access to the single garage. Upstairs is a sizeable mezzanine floor, perfect for a separate living/hobby area or a practical home office. Upstairs also features the large master bedroom with ensuite. Being surrounded by large mature trees makes this a very private property in a quiet street and a well sought after area. While perfectly move in ready, there's great opportunity here it add your own personal touched to really make it Your Home. My vendors are highly motivated, so contact me today for more information or to arrange a private tour.
