Summer is sorted too with large north facing decks, sunshade, and bifolds you will have easy access to the outdoors for your summer BBQ's and glass of wine. There is also room for the children or dog to play on this fully fenced section with a great sized double garage and small workshop. If you are looking for a property in the southern end of town with easy access to the hospital, airport, CBD etc then this is a must to view. Perfect for first home buyers or investors alike.
