Lugtons

Your home is worth more with Lugton's

5 Handale Lane, Keston Mews, Flagstaff

3 1 2

Now Under Construction. You own your home "outright". . . they are freehold unit titles. . . just a 1% sell-back goes back into the body corp ($58 per week) when you decide to sell. . . other than that. . . . all the capital gain is yours. Check out how close to the brand new Countdown this is. . . plus the Glaisdale Shopping Centre just across the road too. Its ALL HERE. You'll love the fact this is a "stand-alone" townhouse, 144m2 home, it features 3 bedrooms, Double Garage, ensuite. This beautful home has loads of windows, and the best outlook over the waterways. Spacious, stylish and the best you can find. If you've been searching for a community feel, not a retirement home/resthome. . . then you've got to come to Keston Mews. Start your new life here. You own your home outright, and receive the capital gains. Buying is as simple as 1. 2. 3. 4

1. Choose the new townhouse you would like

2. Submit an offer and put your home on the market

3. Once your home has sold. . . then the deposit is paid

4. Move in

The body Corp is only $58/week, and everyone is over 55. So you will be surrounded with likeminded friends. You'll be pleased when you make the move to Keston. The residents at Keston say it's like being on holiday 24/7. They love the community feel, and care. These are due for completion over the next few months. If you've been keeping an eye on these. . . . you'll need to make your move NOW. Final stages are now ALL under construction.
