34 Keswick Crescent, Huntington

Functional, flexible, and superbly located, your Huntington residence has everything you need in a family home. It anticipates and encourages the hustle-bustle of family life, provides space for relaxing and outdoor entertaining, and delivers four double bedrooms over two levels. Your spacious open plan environment allows family members and guests to interact and enjoy the aromas of shared meals. A restful retreat, your lounge area slows the busy pace of family life down, while integrated indoor-outdoor living spaces blur the line between inside and out. Your wrap-around deck means life isn't confined within the walls of your house - it includes your yard too. Two ground floor bedrooms are ideally positioned for older kids seeking a little extra privacy. The grouping of upstairs bedrooms is perfect for parents with young children. You've got the convenience of an ensuite and walk-in robe, and a well-appointed main bathroom downstairs. The landing is a flexible space suited to office use. Swathes of glazing flood the interior with natural light, and a northern aspect means plenty of sun. HRV keeps your home dry and healthy, and the pellet fire is an efficient heat source.
