Welcome to 11 Caernarvon Street. . . come on up, and come inside. To say the least, this home has received significant attention and undergone a complete update and upgrade. Every corner and detail of the home has been carefully considered and improved upon - transforming it into a silk purse. . . you can walk right in, unpack and enjoy. You can retreat to the downstairs sanctuary/studio - which can be used as either an extra lounge, extra living, extra space for the teens. The 3 bedrooms upstairs are all of a good size. Summer evenings will be spent watching the world come alive. . and during the day - watch the world go by. Views right over towards the Kaimai's/Te Aroha. . . just magic. I love the kitchen - it's the hub of the home and has all the latest appliances - and the extra thick stone benchtops give it that added bit of Lux. School zones include Aberdeen, Frankton, Maeroa and Fraser High - you've got plenty of great schools to choose. The breathtaking setting makes it worth the drive up experience - city skylines. Come and enjoy its beauty. Call Lisa Sigley on 021722281 to view today. www.lisasigley.com
