2 Nyanza Street, Newton

3 bedrooms 1 carport 1 bathroom

Welcome to 2 Nyanza Street. . . Where you'll find everything you need for a life of comfort and convenience can be found under the one roof. With bus stops direct to the Hospital or the Base. . . you can leave the car at home. When the owners set eyes on their home in 2012 they thought "boy, this will do us" walked in, saw the views and totally loved it. The privacy, the parking, the fun vibe of the area and the wonderful neighbours - all make this move harder, but they are committed to a sale, and you could move in early December or later January. If entertaining is your thing, or you'd love to live close to shopping, need good parking, desire a warm sunny home. . . then you can stop right here. The 3 bedrooms are all good sizes, central gas heating, garage and carport, dishwasher, gas hotwater and the overall condition of this home will make it an instant yes. Call Lisa Sigley on 021722281. www.lisasigley.com
