Six Bedroom Bonanza

📍 20A May Street, Hamilton East

6 1 1

The ultimate investment property in the heart of the University area, on a 488m² residential high rear section. Low maintenance living boasting six bedrooms in a tidy condition ideal for students within a stroll to the campus but close enough to the city too. The extra rooms will help take care of any mortgage and expenses whilst the potential for the land in the future years is priceless. The timing is right to buy with the new year about to start and my vendor has priced to sell as quickly as possible. Don't miss this excellent investment opportunity in such a handy location offering vacant possession. Call Terry and his team to view today.
