📍 1/32 Rutherford Street, Chedworth

🛏️ 4 🚗 1 🚿 2 🚲 1

This stand-alone townhouse earns a round of applause for its stylish good looks, smart design and Chedworth location. Revealing a tasteful modern palette of cedar and aerated concrete with cavity construction, the double glazed home makes a kerbside statement. Its cool contemporary aesthetic carries indoors where it sets the scene for relaxed living and entertaining. A sleek kitchen forms the hub of this oh-so inviting abode. The host's space serves up exceptional functionality for family life, with a central island, easy clean surfaces, 900mm oven, induction cook-top and well-equipped scullery. Generous glazing frames snapshots of alfresco life and landscaped gardens that adorn the fully fenced 400sqm section. Seamless indoor-outdoor living, sun-kissed by a north-facing aspect, is a key design feature. Premium zoned open plan living, a guest powder room, separate laundry and double internal access garaging are contained at ground level. The sleep zone upstairs comprises four restful bedrooms, a family bathroom and full master suite. A central vac system and two heatpumps demonstrate a commitment to comfort and ease of living. Home and grounds are well-balanced. Lawns front and back provide ample room for outdoor fun and play equipment while raised veggie gardens, a storage shed and off-street parking add the final flourishes. Since its construction in 2017, this stand-alone townhouse has had one careful owner. It lies in an incredibly convenient locale in strolling distance of Hukanui School and Chartwell mall.
