

📍 3/12 Killarney Road, Frankton

Sold

Currently under Contract. The location demands a quality development, and these brand-new townhouses rise to the occasion. One has views to the lake and are footsteps from the lake circuit. Their cool contemporary construction calls on a palette of low maintenance materials, giving owners more time to relax and enjoy the fabulous setting. While floor areas vary, style is consistent throughout the four dwellings. Each has a double internal garage, a master bedroom with an ensuite and walk-in robe, another two double bedrooms, and a light-filled open-plan living environment opening to an elevated deck built for the outlook. Fixtures and fittings are high-end, and bathrooms and kitchen serve up extra helpings of chic style. Crafted by Turton Vision Built, with interiors by Turton Oliver, the units blend functionality with a refined aesthetic. Due for completion mid 2022, they come with their own title and no body corp. Hugely appealing in terms of design, quality of finish and coveted location close to Waikato Hospital and the CBD, these townhouses will be quick to go.
