

📍 48 Upper Wainui Road, Raglan

Located under majestic Mt Karioi and close to the world famous surf at Manu Bay sits this little gem. Features include 3 bedrooms, renovated bathroom and open plan living with generous coastal and native bush views, set on a 945m²(more or less) Freehold section. An outside workroom has the benefit of an added bathroom and may have multiple uses including teenager accommodation, or perhaps a work from home station. The choice is yours. An added bonus is having close access to a walkway through the native bush where nature can be enjoyed at it's best and Kereru and Tui are regular visitors. This is a grand opportunity to live in this unique environment and one not to be missed, so call the vendors agents to arrange a personal viewing, or call in and view at one of the open homes, but don't delay as the property is offered for sale by Auction and may be sold prior.
