📍 27 Hinau Street, Maeroa

This "cute as" character home has been showered with modern love. Bridging the gap between old and new, this little charmer has been repurposed for a contemporary lifestyle with no compromise to its retro ambience and inherent character. All in all, it is a great example of how old and new can co-exist in harmony. The home has an appealing air of self-confidence and a definite post-makeover glow. Native timbers give a rich lustre while a heat pump and gas infinity hot water enhance everyday functionality. The open-plan living domain is devoted to family life and easy entertaining. Three bedrooms provide restful sanctuaries at day's end, serviced by a modern bathroom. There is a separate laundry area, carport and storage shed. The grounds are fully fenced and trim-kept, with lots of lawn area for yard games and a covered timber deck for alfresco living. Centrality is big drawcard. The property is closely connected to be Maeroa and Forest Lake, placing a family in range of a host of amenities including schools, sports grounds and cafe culture. The area is serviced by good public transport and moments from major transit routes which facilitate city and intercity commuting.
