I love the big deck with the outlook over the stream, and how green and open it is. Set down the end of a cul-de-sac, makes this so quiet and peaceful. Built in 1999 by Ray Kelson builder, it's a "turn-key" property. If you dread mowing lawns. . . . take a seat - there's none here. Gardeners will enjoy adding more beauty, or just maintaining this sweet spot. You'll just love how open, fresh and clean it is here. School zones include Aberdeen, Frankton, Maeroa and Fraser. Make sure you don't miss out. Call Lisa Sigley on 021722281 to view today. www.lisasigley.com
