

9B Beadle Place, St Andrews

Bordering St Andrews Park, this very affordable home is ideally positioned for raising a young family or a great investment. Hidden down a right-of-way at the top end of a small St Andrews cul-de-sac, the tidy property not only has gate access into the park, it is fenced for peace of mind living. The home places a priority on comfort and displays a penchant for indoor-outdoor living. The open plan environment, which is at the heart of everyday life, spills onto a huge timber deck. This large alfresco serves as an extra living and entertaining area, sets the scene for summer parties and can cater for a crowd. Accommodation split between upstairs and down gives parents the opportunity to relax in peace as well as enjoy a breath of fresh air from their elevated balcony. A walk-in pantry is a trusty side-kick to the kitchen and laundry facilities are built into the stylish modern bathroom, enhanced by a corner spa bath with an overhead rainshower. An office and internal access double garage round off the home's footprint. HRV, a heat pump and full insulation keep the interior dry, warm and ambient through all seasons. A family looking to live close to schools, supermarket, shops, cafe culture and The Base will find the location hard to fault.
