The future looks so bright out here (copy and paste the property file link below) discover all that Rotokauri Rise is about to become. . . its going to bloom into a wonderful area that's been well thought out - greenways, water areas, cycle trails, public transport, schools, shopping. The owners tell us that their home is so lovely and warm, its always sunny and bright, there's nothing that they'd change about it, and say that the neighbours are so kind and friendly - a really nice area to be in. Why did they choose Rotokauri Rise? They liked the "vision" and say the developers are aiming for its residents to have a better way of living.
