145 Dinsdale Road, Dinsdale

Given a new lease on life, this upgraded home has been recreated for modern family living. An easy choice, it is full of comfort, has inviting outdoor living alternatives, and makes the most of its scenic elevation - even the kids' playhouse has an outlook. Neatly carved into a leafy, well-tiered site, the home spreads its wings over two levels. The upstairs is double-glazed, and big picture windows flood the lounge with light and views. The sun seat is a cosy nook to curl up in and a balcony runs the full length of the home for instant outdoor fare. Plumbed in refrigeration and a full array of appliances ensure good kitchen functionality. The bathroom is a modern, refreshed space and subway tiles give in the revamped laundry a contemporary look. You can lie in bed and enjoy the views from the light-filled master bedroom. Two double bedrooms and a mezzanine lie above. The lounge and bedrooms each have a heat pump. When it comes to outdoor relaxing and entertaining, the fully fenced alfresco precinct beckons. The grounds are trim-kept and the veggie patches are well-established. Offering all the convenience of west-side living, the property is close to Dinsdale shopping centre, Frankton commerce, the CBD and hospital. Schools and transit routes are handy.
