## 51 Twickenham Place, Nawton

This would have to be an awesome start to grow your family, with plenty of room for the kids to play and you can get a campervan into the back yard with a purposefully positioned gate. With four bedrooms and 2 living areas the degree of separation for young and not so young works well to keep all happy in their own entertainment spots. Two heat pumps one at each end of the home means you can keep a nice constant cool or heated space. Positioned at the exterior is the outdoor power supply so you can choose to install a spa if you wish. Call Maxine to find out about the open homes or choose your preferred viewing time 021629469
